

SEX+MONEY

A NATIONAL SEARCH FOR HUMAN WORTH

Church Screening Equipment Specifications

Projector/Sound Needs:

- Full HD 1080p Projector. This is most Important! If you know your projector is not up to par, please have a space prepared for us to set up our projector at the proper location relative to the screen.
- Screen, at least 10ft x 14ft (screen should be proportionate to room size)
- Menas for us to hook up Mac laptop to projector system (this will allow us to use our own PowerPoint Presenter with program, film, and lyrics for worship)
- Full sound system sound board for multiple instruments and vocals, speakers, and monitors on stage for speaker(s) and worship team

Worship Team & Stage Equipment Needs:

- 3 vocal microphones: 3 singers from our team, 1 of these mics next to keyboard
- At least 1 additional wireless microphone for host and for Sex+Money team
- 3 instrument cables & 3 direct boxes for 2 acoustic guitars and keyboard
- 1 bass amp with 1 cable or 1 direct box and 1 cable
- 3 guitar stands (not essential, but helpful)
- 5 bottles of water for team (at least)
- 1 instrumental microphone- mic on electric guitar amp

Merchandise/Other Needs

- 3 rectangular tables for our merchandise and literature, and more tables accordingly for any local faith-based organizations/ ministries represented
- A "Green Room" where the Sex+Money crew can prepare and store their belongings during the screening

Additional Notes:

- The Sex+Money team will be traveling with our own instruments, but we would prefer to use your drum set, bass amp, and keyboard if possible
