Public Screening Equipment Specifications

The equipment needed for a venue that holds approx. 400 people are:

- 1 Rectangle table for the Sex+Money merchandise (we will bring two of our own)
- 1 Table for each local organization attending
- 4 Microphones, at least 2 of which need to be wireless
- 1 Podium microphone
- 1 Podium
- Maximum seating to fill auditorium capacity
- 1 Table on the stage for the panel discussion
- 3-7 Chairs on the stage for the panelists
- A screen no smaller than 10 x 14 feet (please ensure that the screen is appropriate for the room size; in some cases this may require finding a larger screen)
- Appropriate AV equipment for the room's size
- A "Green Room" where panelists and the Sex+Money crew can prepare and store their belongings during the screening

Sex+Money will provide:

- A full HD 1080p Projector (if the venue has a projector of this caliber or better we can use it)
- The necessary cords to plug our computer into our projector
